

MARQUE READY

Presentation that sells. Documentation that holds up.

10-Day Sale Packet

A complete digital sale packet. You review and approve. We assemble.

Auction preparation for enthusiast and collector vehicles — documentation, market research, photography direction, disclosures, listing preparation, and marketplace handoff.

PRIVATE OWNER / \$3,500

Photography arranged to the agreed shoot scope.
Travel extra; scope and added costs agreed upfront.

TRADE / \$1,400–\$1,800

For dealers and brokers. Photography supplied
or separately funded; fee agreed per vehicle.

Your finished digital folder

01 / Listing copy	Title, opener, full description and equipment list. Editable copy plus a reading PDF.
02 / Disclosures	Clear defects, modifications and history gaps; facts distinguished from seller reports.
03 / Comps & pricing	Sold-result research, market context and recommended reserve/start strategy.
04 / Photos	Organized gallery, lead-image selects, photo index and capture brief; scope agreed upfront.
05 / Records	Sorted service/build scans and chronology. Public copies redacted; title/identity kept private.
06 / Next step	Venue-specific submission or consignment instructions, with your remaining actions identified.

The ten-day commitment

Day 1 begins when intake, essential identity/access details and the shoot plan are complete. One consolidated revision round is included. Review deadlines and delay provisions are agreed at booking. You approve the copy, price and reserve; account access, fees and final submission stay with you unless separately engaged.

Separate options: PPI, detailing, transport, video production, additional lift/access costs, account/submission handling, post-listing reserve negotiation and auction-comment support. Digital delivery; printing is not included.

PORTFOLIO EXAMPLE / 2019 ALFA ROMEO GIULIA QUADRIFOGLIO

Full 18-page sample available on request. Retrospective portfolio example: vehicle sold July 2026. Illustrates the work; the current offer above governs scope.
